Eco-Committee representatives present:

Year 1 and 1B

Year 2 and 2B

Year 3 and 3B

Year 4 and 4B

Year 5 and 5B

Year 6 and 6B

What was discussed?

Decided on spring term events.

- Litter Picking Week
 - Whole school challenged to pick up rubbish found around the school and on the playground
 - Eco-councillors to create posters to advertise school litter picking
 - Eco-councillors to participate in a rubbish-picking session one lunch time in the spring term
 - If the school clean-up is successful, then there may be a school challenge to see which class can collect the most rubbish in a 10 minute window on the common during Clean Air Day – in the summer term
 - Order litter pickers

Next steps:

Implement rubbish picking across the school

Implement use of litter pickers at playtime
