## Quicksticks Hockey Tournament

On 19 May, 6 of our Year 6 students represented BWA in a Quick Sticks Hockey Tournament at Spencer Hockey Club.

The tournament was focused on increasing engagement in the sport and creating competition for students who had never taken part in hockey competition before.

Our students outperformed all expectations on them as they came home with a winning 2-1-1 record.

The students thoroughly enjoyed the day and represented the school with maturity and joy. Well done super stars!
