

Newsletter for the week ending 19th July 2024

This week we have loved having so many parents and carers onsite for Parent Teacher meetings as well as musical performances. Thank you for taking the time to come into school.

Yesterday afternoon we held our end of Summer Term Celebration for pupils in the bilingual stream. Pupils in each class were recognised for the progress they have made this year in the core subjects.

R

RELEVANCE

- recognition of the richness in diversity and inclusion
- tailored to reflect local, national and global perspectives
- clear progression in knowledge, skills, content, language, processes and concepts

The holidays are coming! Pupils in our Nursery are very excited about this because it means that after a long rest, they will be heading off to big school in September. All week, pupils been talking about their new schools and what to expect. They also found time to talk about their holiday plans too and learned that lots of pupils want to go to the beach if it stays sunny.

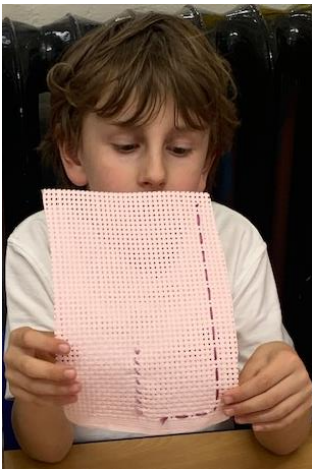

Pupils in RW have had a lovely final full week in Reception. They too have been having exciting conversations about their next steps into Year One. Pupils enjoyed spending time with their new Class Teacher, Miss Fletcher this week. The pupils drew a picture of themselves and drew pictures of the

things that are important to them.

In RB, pupils have been reflecting on their learning over this busy and exciting year in Reception. During the week, they have looked at their first day and last day photos and reflected on how much they have changed. It was wonderful to hear them express confidence in the things they have learnt and also say what they want to do next year.

Year 1 have loved participating in Maths Week this week. They have been applying all their learning from Year 1 to different problems and activities. Pupils especially loved finding halves and quarters of different measuring jugs to concoct a magical potion. It was imperative that they measured with accuracy to create the potion and cast a spell!

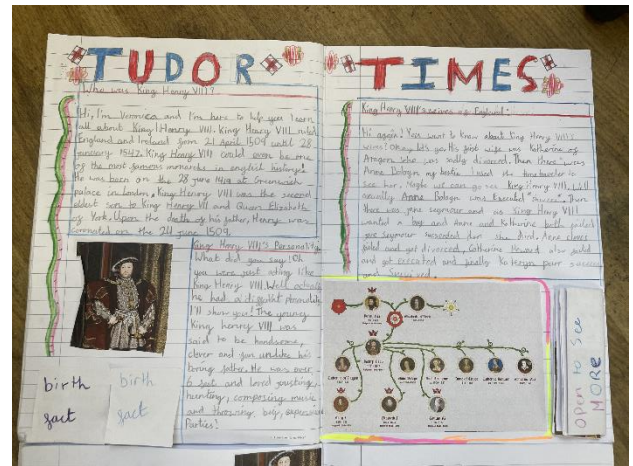

Year 2 enjoyed their DT sessions this week as they learnt how to use different stitches and practised their sewing skills. They then made their own animal puppets, inspired by their learning in English earlier this term on traditional tales.

Pupils in Year 3 loved performing for their families this week during their concert and it was absolutely wonderful to see the talent on display. On Wednesday, they enjoyed using our 'Now Press Play' immersive equipment. They ventured back in time and visited parts of the Mediterranean.

This week, 3B have enjoyed exploring fractions through various math games, such as Fraction Bingo. They learnt more about equivalent fractions.

This week, pupils in Year 4 have enjoyed showing how much they have learnt when completing their double page spreads.

As part of maths week, the pupils in 5S have been researching, designing and creating their own maths board games. They have worked excellently in their groups to come up with fun, imaginative and challenging games.

Pupils in 5LT have also absolutely loved their maths week activities. One of the main highlights has been watching the children plan and design their own maths board games. They have worked so well in groups to research, select a game and even create characters for their games.

5B enjoyed their final week of the summer term with a cooking DT project. They began by learning about the range and reason behind the dietary needs of others. Pupils researched their meal (Tabbouleh), finding out its country of origin, traditions surrounding it and the source of the produce. They mixed vegetables and herbs into couscous, adding seasoning and olive oil to taste. 5B enjoyed the fruits of their labour and now have a greater confidence in cooking a healthy meal.

Pupils in 6B had a fantastic final week at Belleville Wix Academy. They kept their mathematical skills active with some maths activities and puzzles, working as a team to solve the mystery. 6B spent a lot of time reminiscing on their time at school, sharing stories and memories. We wish them the very best of luck as they move on to their next adventures!

Year 6 have had a fun-filled week on their school journey, to PGL Liddington. They participated in many fun and challenging activities, including a trapeze, buggy building and canoeing, testing their courage and resilience. We could not be prouder of how well the pupils represented our school and their politeness and kindness was commented on by the staff at the complex. The children have

created life-lasting memories.

Thank you to everyone who helped organise this awesome experience for our pupils. A special thank you to Mr Moran and Miss Marlow who generously gave up their time to accompany the children.

Excellent Learners

Congratulations to all our Excellent Learners this week.

Discover the Joy of Hockey!

Calling all children! Have you ever wanted to try a fun, fast-paced sport? Now's your chance to discover the excitement of hockey! Whether you're a seasoned player or have never held a stick before, London Wayfarers Hockey Club welcome boys and girls of all ages and abilities to join.

Hockey is more than just a game—it's a great way to make new friends, stay active, and learn important life skills. Playing hockey helps you build teamwork, develop discipline, and improve your coordination. Plus, there's nothing quite like the thrill of scoring your first goal or making a great save!

Come and join us for our end of summer hockey camps in Dulwich or our Club Open Day in Battersea Park on 1st September. For more information and on how to get started, please visit [Junior Section - London Wayfarers Hockey Club](#)

We can't wait to see you out there! 🏒 🏒

London Wayfarers

Communication

Our [communication table](#) should signpost you to the right person to deal with any queries you have, no matter how small or trivial you think they may be.

Nut Free School

Please remember that we are a Nut Free site. There are pupils onsite with allergies and we must all do our best to keep these pupils safe at all times when onsite.

Prepared for the Day

Please ensure your child has suitable clothing in school and sunscreen. Getting outside is very important at BWA and we plan to have both PE and play outside in all weathers.

Dates to Remember

End of Summer term

- **English Stream** – Wednesday 24th July at 1:45pm

Wishing you all a wonderful weekend.

Miss Henry
