

Minutes of meeting 27.2.24:

Councillors in attendance (all classes represented except RB and Year 4 English stream).

We met with Eric from Harrison's Catering who asked pupils their opinion on school meals (or why they chose to have packed lunch). Pupils voiced their preferences on popular meals as well as any dislikes. Finally, they had a chance to suggest dishes that they would like to see on the menu.

A wider survey may be carried out in future.

All in all, a very productive meeting!

Next meeting: date TBC and World Heritage Day to discuss.
